

**ACTIVITY: WORKING SMARTER**

In the left-hand column, list all behavioural initiatives currently in your school. Then complete the row for each initiative. Discuss the results, checking for clarity of purpose and outcomes for each initiative and whether outcomes and success in meeting goals are being evaluated. Are there some changes you could recommend in order to work smarter – for example, could some initiatives be combined?

INITIATIVE	PURPOSE	INTENDED OUTCOMES	TARGET GROUP	STAFF INVOLVED	SCHOOL DEVELOPMENT PLAN GOAL
