

REVISION ACTIVITY

COOPERATIVE GRID: WHAT IS PB4L-SW?

- 1. By yourself spend 8–10 minutes filling in the first column for each question.
- 2. Next spend 10–15 minutes asking 3–4 individual staff members what they answered for each question. Write their responses in the 'Others' columns.
- 3. Now work in small groups to identify the best answer from all the responses. Write this in the third column.
- 4. Finally, in your small groups, compare your responses to what the manual says (all the answers are in section 1).

	Me	Others	Small group
What is PB4L-SW?			
Explain this diagram:			

	Me	Others	Small group
What do A, B, and C stand for in 'The ABC of behaviour?' Can you give an example of the three of them happening in sequence?			
Explain this diagram: 			
PB4L-SW's practices and interventions are organised into five subsystems. Can you name them?			

Small group	Others	Me	
			Name the three missing steps in this diagram of the PB4L-SW implementation process.  <pre>graph TD; A((PB4L-SW team established)) --> B((Data-based action plan)); B --> C((Implementation)); C --> D(()); D --> E(()); E --> A;</pre>
			How many essential features are there in Tier One of PB4L-SW? Can you name them?
