# Definition of Bullying

- ▶ It is important that students have a clear definition of Bullying before you embark on any initiatives to reduce bullying:
  - ▶ Bullying is deliberate and involves a power imbalance, actual or perceived, unequal relationship between target and initiator: size, age, gender ,social status, digital capability and access.
  - ▶ Bullying is repetitive over time with threats of further incidents.
  - ▶ Bullying is harmful: short or long term physical or psychological harm.

## Leaders

Values Assembly every Monday. ➤

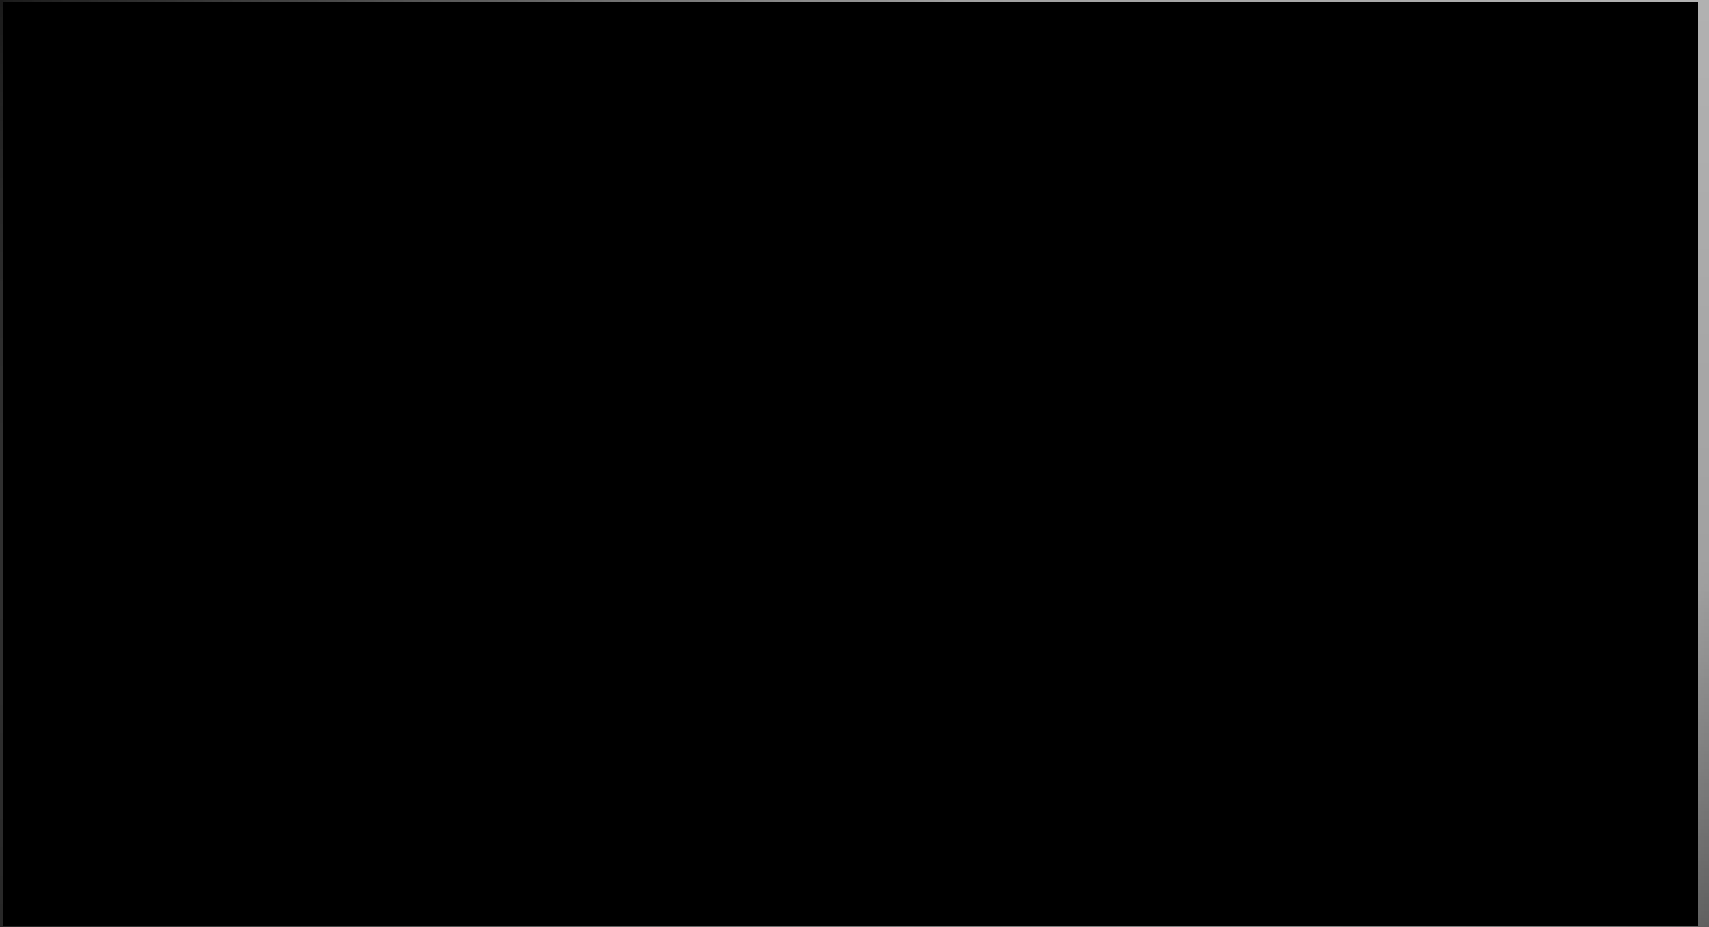

Every Monday Morning we have a Values Assembly which has a set format and is taken by the Principal.

Our School Values are HONESTY, COMPASSION, RESPECT, RESPONSIBILITY.

## Assembly Format >>

Attendance Shield  
Newsletter return slips prize draw  
Puawai prize draw

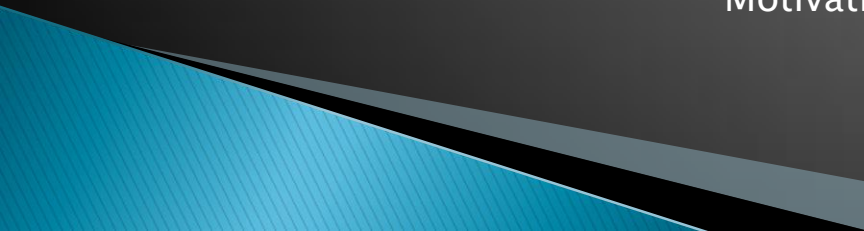

## Values Story video >>

Each week there is a different value and a story containing a value is shown on the big screen for maximum impact. Teachers follow up the story back in the classroom with specific values teaching.

## Youtube Clip >>

The values story is followed by a Youtube clip which is anti-bully or Motivational. This is also followed up in the classroom.

## Being an UPSTANDER not a BYSTANDER >>

This term we are putting an emphasis on being an upstander and have special badges for students who report any inappropriate behaviour.

## I AM AN UPSTANDER:SAY NO TO BULLYING >>

Our present focus for this term is to be an UPSTANDER not a BYSTANDER and we are encouraging kids to report inappropriate behaviour of any sort.
